

Just to let you

Sound of the Week

This week you will find Sound of the Week books in your children's book bags. This term we are revisiting the digraphs (2 letters that make 1 sound) and the first one is 'ai'. Please ask your child to show you the sound they have practised this week. If they would like to practise writing the sound and the words in their book at home that would be wonderful. We will always celebrate children's efforts when they bring their books back to school on Mondays.

Teacher led clubs will start this week. Please write in the message book if your child is going to a club or if they are going home with someone different.

Wild Place Helpers and Sculpture Walk helpers

Sorry we couldn't go to the Wild Place this week. It's hard to know whether we will be able to go until the day when we can work out if we have enough helpers but thank you to all those who offered, and particularly to those who came to help in the afternoon classroom activities! We will put the sign up list on the windows by the message books in the playground. If you can sign up, thank you so much. It is always lovely to go to the Wild Place and we can't do it without you! On Monday afternoon we are hoping to go on a sculpture walk around Guildford town centre. We need as many parents as possible to come with us! You will need to be at school at 1pm on Monday and we will be back before 3pm. If you are able to help please let Emily or Hannah know.

Thanks!

Year One: Beech and Oak

Photographs of your lovely children

Thank you to the parents who have already sent in photos of the children as babies or toddlers. The children were so excited to share their photos with their friends and display them on the walls. There is still time to send a named photo in to us if you find one. We can't wait to see more!

Maths Focus

Next week our focus is counting body parts in 2's, 5's and 10's and recording in simple tables. How many fingers are there in your family? How many eyes?

Thank you for those parents who have given us their email addresses at the Meet the Team evening. However, we did find that a few of the email addresses were quite tricky to read on the sign up sheet! If possible, could you send a quick email to Emily or Hannah just saying your child's name, so we can save your addresses, making it easier to contact you in the future. It's always helpful to be able to email parents about changes in plans at school, or reminders about things coming up!

Cooking Money

We really appreciate the donations that you have made so far. If you would like to donate £3 towards our cooking activities please just pass it on to Hannah, Sam, Emily or Misha.
Thank you.
