

Year 5 Group Room

Children have been working very hard this week writing up the early years of Henry VIII's biography. The focuses have been:

Chronological, past tense, non fiction,

Can your child tell you what sort of child Henry was and what they know about his education?

This week's spellings were:

Tries, cries, stories, families, poppies, daisies and enemies

(Drop the y and add ies for nouns ending in y) Can your child tell you what a noun is?

Spellings are given out on Mondays and a test given on Thursdays. The list is written in a green book which should come home on Mondays.

Have a great weekend!

Lynn and Tina 😊
