

On Fridays your child will bring home a list of spellings. These will also be available on Just To Let You Know on the same day. These will be tested the following Friday.

From time to time children will bring home work to finish. Please could you remind them to check

Curriculum News:

English:

This week we have been looking at phrases and clauses. The children have been learning how to construct sentences using a capital letter and punctuation. All children have had the chance to meet our librarian and look around the library.

Maths:

The children have been showing us their understanding of place value and partitioning. This has involved breaking 3 digit numbers in to hundreds, tens and units.

Topic:

Our topic this term is Noah's Ark. We have started to sew our own animal hand puppets and, in science, have had great fun investigating floating and sinking.

Spellings: ring king swing cling bring string spring singing

Reminders:

Please remember PE is every Wednesday and Thursday. Swimming has started with 3A on Wednesday. 3C will swim in the Spring term and 3J in the summer term.

The children continue to settle in well and we are all enjoying getting to know them better. Please remember that you can either come in and see us at any time or write us an email (our addresses are on the school website). Have a great week.

Best wishes. Claire, Alison and JJ.
