

Year One

Beech and Oak

16th September 2016

Maths Focus

This week we have been thinking about numbers. We counted, read, wrote and ordered numbers to 20. Why not look out for numbers in and around your house and when you are out and about. Maybe you could ask an adult to set a 1 minute timer and give you numbers to write down. How many can you write in a minute? Please remind your child that 'numbers start at the top.'

Wild Place Helpers

Thank you if you have signed up to help at the Wild Place. We aim to go on Tuesday afternoons but we only go if we have the correct ratio of adults to children. We need three parents per class please. We leave school by 1:30 and are back before 3:00. You will have a small group of children to work with and we plan lovely activities for you. We will explain exactly what you need to do each week. We guarantee a good time!

Dear Parents,

We have had a lovely happy and very busy week. We used our superhero capes for the first time and what a fantastic boost they gave us! The children loved being superheroes and worked very hard when writing their numbers. Thank you so much to all the kind parents who made the capes. We all love them! Thank you to so many of you who came to Meet The Team on Thursday this week. If you weren't able to make the evening then we have given your child an information pack. Please ask us if you have any questions. We really look forward to working with you. Sarah , Claire and Chloe

Wisley Visit

We are going to Wisley on Monday 10th October. Please look out for a trip letter which has been given to your child today.

Cooking Money

We cook several times every term in Year 1 and ask for a donation of £5 to cover the cost of ingredients. Please pop this in an envelope and give this to your child's teacher. Thank you very much.
