

Just to let you know...

TOPIC

Having spent time learning about the Battle of Bosworth, the children have gone on to write a recount. They have then worked really hard, editing their work, thinking carefully about reader knowledge, chronology and colourful description.

The children enjoyed learning about gruesome Tudor jobs then writing adverts for them. Ask them to tell you about gong farmers, woad dyers, searchers of the dead and violin string makers!

MATHS

This week in maths we have been learning how to multiply using the formal written methods of long multiplication and grid method. The children used what they had learnt, to solve Tudor themed multiplication problems.

For more practise on this, go to www.mymaths.co.uk (username: pewley Password: squared). Go to multiplication and division, Yr5, multiply double digits. Then work through the online lesson.

HOMEWORK

This week we are asking children to have a look for inspirational quotes which they particularly like, to decorate their Reflective Diaries. A sheet explaining the task will be sent home.

In SPAG this week we have investigated words ending in -ant, -ance/-ancy, -ent, -ence/-ency. Children know if they are to learn: 5 of these, all of these or all of these plus two bonus words. Spellings are:

- confidence
- consequence
- importance
- patience
- relevance
- distance
- allowance
- disturbance
- Perseverance
- existence

Spelling test will be every Wednesday.

(If your child has been given spellings from Heather P, they won't be learning these ones too.)

TUDOR DAY

We are looking forward to a fun Tudor Day! The children have been told which character they will be for that day. If they can dress for their role, it would be much appreciated!

Please remember that we are off to Hampton Court on Thursday 6th October! Please remember a pack lunch and school uniform! Thank you for all of your kind offers to help. Both coaches are now completely full so if you haven't heard from us we will put you at the top of our list for our next trip.
