

**Curriculum News:**

**English:**

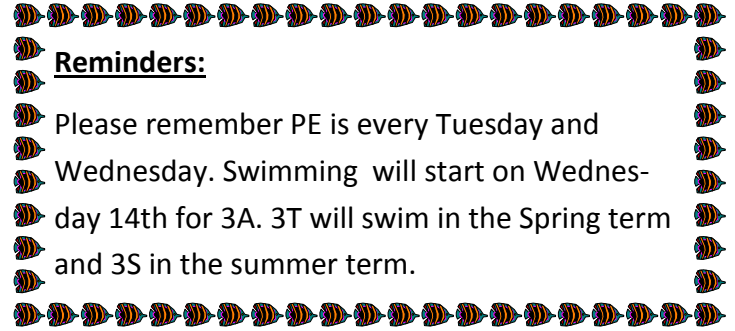

This week we have been looking at phrases and clauses. The children have been learning how to construct sentences using a capital letter and punctuation. All children have had the chance to meet our librarian and look around the library.

**Maths:**

The children have been showing us their understanding of place value and partitioning. This has involved breaking 3 digit numbers in to hundreds, tens and units.

**Topic:**

Our topic this term is Noah's Ark. We had great fun creating a 'Freeze Frame' to show our favourite part of the story.

**Reminders:**

Please remember PE is every Tuesday and Wednesday. Swimming will start on Wednesday 14th for 3A. 3T will swim in the Spring term and 3S in the summer term.

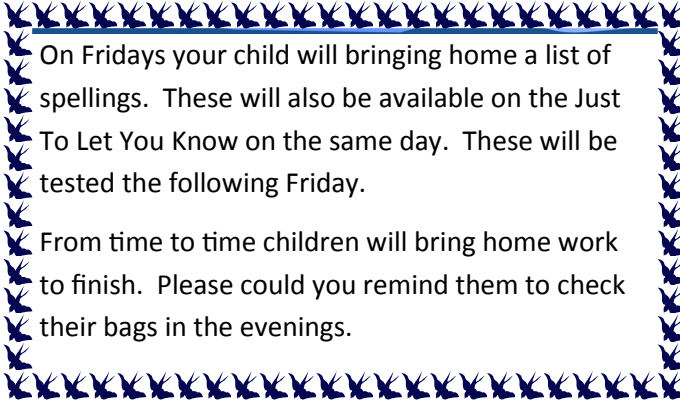

The children have settled in well and we are all enjoying getting to know them better culminating in a great day at the Chantries getting to know their Y6 Buddies.

Have a great week.

Alison, Sian and Toby.

**Spellings:** ring king swing cling bring string spring singing

On Fridays your child will bring home a list of spellings. These will also be available on the Just To Let You Know on the same day. These will be tested the following Friday.

From time to time children will bring home work to finish. Please could you remind them to check their bags in the evenings.
