

# Year One

## Beech and Oak

15th September 2017

### Wild Place Helpers

Thank you if you have signed up to help at the Wild Place. We will keep the signing up sheet on display outside classrooms throughout the week if you find yourself short of things to do on a Tuesday and want to help out. We aim to go on Tuesday afternoons but we only go if we have the correct ratio of adults to children. We need three parents per class please. We leave school by 1:30 and are back before 3:00. You will have a small group of children to work with and we plan lovely activities for you. We will explain exactly what you need to do each week. We guarantee a good time!

### Maths Focus

This week we have been thinking about numbers. We counted, read, wrote and ordered numbers to 20.

Why not try to fit in opportunities while you are at home or out and about to practise counting and spotting numbers.

You could even practise writing numbers to 10 too. Challenge your children to see how neatly they can form their numbers. Please remind your child that 'numbers start at the top.'

### Dear Parents,

We have had another lovely and busy week. Thank you for getting your children in calmly before 9 and ready to start the day.

We have been enjoying getting stuck into our superhero themed writing and reading. We enjoyed reading 'Eliot the Midnight Superhero' during Reading with Derek as well as using 'Superhero ABC' to come up with superheroes and write exciting sentences.

Thank you to so many of you who came to Meet The Team on Tuesday this week. If you weren't able to make the evening then we have given your child an information pack. Please ask us if you have any questions.

We really look forward to working with you.

### Cooking Money

We enjoy cooking several times every term in Year 1 and we really rely on your support. We ask for a donation of £5 to cover the cost of ingredients. Please pop this in an envelope and give this to your child's teacher. Thank you very much.  
Claire and Georgie.
