

Just to let you know...

Dear Parents,

We really enjoyed meeting our new classes; all the children were very keen to be the best that they could be and to make a good first impression. What a lovely year group! The Year 6's met their new Year 3 buddies today which was very exciting- please ask your child about their buddy interview.

If you wish to contact the class teacher please email them using the addresses below:

6JJ- JJ (jjb@htpd.surrey.sch.uk)

6T- Tom (tome@htpd.surrey.sch.uk)

6JW- James (jamesw@htpd.surrey.sch.uk)

Mary- (maryb@htpd.surrey.sch.uk)

Have a lovely weekend!
Tom, JJ, James and Mary

Class Charters

Please look out for your child's class charter which will be sent home next week!

Trip to the Chantries!

Next Tuesday (11th September) we will be going on an exciting trip to the Chantries. The morning will involve an introduction to our topic- The Amazon Rainforest. We will then meet up with our Year 3 buddies for an afternoon of team building activities. Please ensure your child wears practical, weather appropriate clothing. They will also need a water bottle and packed lunch as we are off site for most of the day.

School Equipment

This last year at Holy Trinity is all about preparing your child for secondary school. As a result we are encouraging children to bring in their own equipment. A pencil case containing a pencil, rubber, sharpener, ruler, glue stick and colouring pencils is perfect.

Home Learning

Please note the following information regarding home learning in Year 6:

Maths Facts: Handed out Tuesday, given in Monday. The children have been given a Maths Facts Book in which they will complete a page at home each week to build up a comprehensive book of all of their mathematical knowledge.

Maths Worksheet: Handed out Wednesday, given in Friday.

Reading Task: Handed out Thursday, given in Wednesday. This involves a written task and should take at least 20 minutes.

Please also listen to your child **read** at least **three** times per week and record this in your child's reading record.

SPAG Task: Handed out Monday, given in Thursday.

Spellings: We will be asking the children to focus on a different spelling rule each week and give some examples which follow this rule. We will start next Friday 14th and the first test will be the following Friday.

Topic project x 1 per term.

We may also send work home that needs finishing off.

Meet the Team Evening- Thursday 13th September at 7pm

Next Thursday (in the school Chapel) is the 'Meet the Team Evening'. This will give you an overview of the year ahead and be a brilliant opportunity to meet class teachers. We hope to see as many of you as possible there!

Year 6 PE

The Year 6 PE days are **Monday** afternoons and **Friday** afternoons. Please ensure that your child has their correct PE kit with them on these days- coloured house top, navy or black shorts, sensible trainers.
