

# Comic Relief 2013

## The Great Comic Cake off

When we walked, ran, scooted, swam, rowed and cycled for comic relief 2 years ago, we raised such an awesome amount of money we were in the top 10 comic relief fund raising primary schools in the whole country!

Comic relief is a great cause and also a great Holy Trinity Pewley Down tradition and so this year we have a whole range of fun and frolics planned. Keep an eye on the website and the news letter for details over the next couple of weeks.

### Welcome to the Great British Cake off!

Over the next three weeks children and teachers will be taking part in a Comic Relief baking challenge!

Teachers entries will be appearing on the internet—we'll let you know how you can watch them at home. There will then be a grand final live on Comic Relief day, when you will all be able to vote for the winners, in exchange for a small donation of course! Entries to the children's competition will also be judged on the day. To enter you need to make a **SHORT** video (2 mins maximum!) of you baking, explaining why comic relief is such a good cause and why you should win. The funnier the better!! Judges will be awarding marks for the amusement factor as well as for great baking results. You can also enter on paper if you prefer. Simply make one side of A4 using photographs, pictures, recipes etc. Please include a donation to Comic Relief with your entry. We will show videos in class and in assembly, and make a display of paper entries. There will be a fun prize for the winning entry and all the money raised goes straight to comic relief! Entries to your class teacher on a **NAMED** memory stick, paper entries with your name on, together with your donation to comic relief by the 14th March.

Happy baking!
