

English

English this week we have been reading and writing dinosaur poems, and working on some grammar points identifying different kinds of words (verbs, adverbs, nouns etc.)

Maths

This week we have been looking at properties and characteristics of shape & how we might categorise and sort information.

We have also begun to practising some maths problems and tasks independently in our own workbooks.

YEAR 2 NEWS

Election

All of Year 2 really enjoyed the experience of listening to the candidates for the Conservative, Liberal Democrat, Labour and Green Parties. The Year 6 children who represented them had prepared really well, and made the ideas and key issues accessible for the children in Year 2. We were impressed the questions Walnut and Chestnut asked, and how well they engaged with the ideas being put forward by each party. They voted on Thursday for their favourite.

Natural History Museum Trip

You will soon receive letters about the Natural History Museum trip. Please make sure they are completed and returned before half term.

Wild Place

We are desperate for volunteers to help out, please let us know if you are able to help for an hour during the week.

I'm Bored Box...

If you were the Prime Minister, what would you do? Write about what ideas you would have to change the country and make it an even better place to live? What would your political party be called? Could you design a logo for your party?

Writing Corner

Look at the Natural History Museum website. Choose a dinosaur and make some notes about it. Can you make a poster telling us about the dinosaur you choose? Don't forget to pick out the key information and use the headings to help you.
