

Just to let you know...

Bentley Copse: Help Needed!

A big thank you to everyone who has signed up so far to help out. We still require volunteers for the following:

Wednesday

- Activity helpers: 11:30-12:30, 13:00-14:15, 14:30-15:45
- Games on the field: 16:45-18:00

Thursday:

- Serving snacks and drinks: 14:15-14:45
- Games on the field: 16:45-18:00

Friday

- Striking camp: 8:00-10:00

Please see the sign up sheets in the Year 4 area or email James (jamesw@htpd.surrey.sch.uk).

Spellings

Please look at and learn these spellings for Monday 24th April.

supersonic, supermarket, superstar, superhuman, antiseptic, anticlockwise, antisocial, automobile, autopilot, autographs

PE

Please make sure that your child has a summer PE kit in school including trainers, their house t-shirt and shorts or a skirt. 4JW are swimming on a Wednesday.

Dear Parents,

We hope that you had a relaxing Easter break and thank you for your efforts in helping your child with their reading record. It was great to see lots of reading happening and most children completing two tasks during the Easter break.

Our topic this term is called 'Through the Window' and focuses on environmental change. The stimulus for this topic is a picture book called Window by the author and artist Jeannie Baker.

In addition, please could you send in any empty glass jars that you might have at home, as we'll be using them in science on Tuesday.

Have a great weekend!

James, Jo, Rachel, Maggie and Georgie

Homework

Through the window: a homework to go with our story. We would like the children to produce either: a drawing, photo montage, painting, or something else creative, of a view from one of their windows at home. We will be putting these on display around school.

Bentley Copse

Just to remind you that the children have now all been given forms that need signing and returning. Please get these back to us asap. You can now pay for this trip on ParentPay.

English

This week in English we have been immersed in bluebells! After our walk in the Chantry on Tuesday, we recapped poetic techniques and have started to create poems which focus on four of the senses; sight, touch, hearing and smell.

Maths

This week in Maths we have been covering fractions. We started the week finding fractions of shapes and then later found fractions of numbers and attempted word problems.

Topic web

Please see the attached topic web (on the reverse of the paper copy) to find out what we will be covering this term.
