

Just to let you know...

Phonics

In the first week back we are going to recap our sounds and then have a go at reading and writing some tricky words!
Maybe have a go at writing some tricky words from your key word books.

Maths

Our maths focus after the holidays is going to be sorting. We'll be sorting numbers and all sorts of objects. We'll sort them according to colour, size, type etc... The children will be also be asked to explain why they have sorted something in a certain way. Perhaps have a go at sorting your teddies or your Easter eggs at home.

Minibeast LEAP

We're really looking forward to a whole class Minibeast LEAP next term. We've already had discussions with the children about they would like to learn and find out..
How do bees turn pollen into honey?
What is a minibeast?
Which minibeasts don't have any legs?
What coloured butterflies are there?

Reception Makeover!

Over the Easter holidays the Reception classrooms are going to be redecorated – we're very excited!
So when you come back the walls will be painted white. We will have new carpet and a new ceiling!

Reception Hazel & Willow

HAPPY EASTER!

Thank you so much for all your support this term and for your children's hard work. We hope you have a lovely 2 weeks and we will see you in April!

Cooking

Thank you to all your kind donations for cooking back in September. If you are able to make another small contribution to keep us going to the end of the year, we'd be very grateful! We plan to make Pulla bread snails!
