

**Year One
Beech and Oak
11th March 2016**

Thank you very much for coming to school for Parent Consultations. It was lovely to see you all.

Dear Parents,

This week we have had fun in English making dragon top trumps cards. The children were very imaginative, making up lots of different special powers! Everyone worked so hard to write in curly school writing too!
Have a lovely weekend.

Sarah and Sheena

Maths Focus

This week we have been using our skills of counting in 2s, 5s and 10s to help us work out an addition and subtraction dragon problem. We worked hard to solve picture, number and word problems eg. a dragon has 15 spikes, 5 fall off.
How many spikes are left?

Try solving adding and subtraction word problems at home (in multiples of 2,5 and 10). Collect a pile of beads, toy cars or pasta. Make up a word problem for your child e.g. You have 24 beads, I take away 2. How many beads do you have left? Challenge by using bigger numbers up to 100.

Castle Visit 15th March

We are looking forward to taking the children to the castle on Tuesday. Please remember to bring a water bottle in a small back pack. We will take fruit from school with us. We will be leaving school at 9.15am and returning by 11.45am.

Sport Relief 18th March

The children will be trying to run lots of laps around the field on Friday. Please don't forget to return the sponsor form by 17th March. Thank you.
