

Just to let you know...

Phonics

After half term we are going to do lots of activities to help us to remember all our digraphs (sounds that are written with 2 letters) i.e. ai, oa, ie, ou, oi. Some of us will be practising reading them and some of us will also be learning to write the sounds correctly. We will all be looking out for them in words that we read e.g. c-l ou -d.

Reception

Hazel & Willow

Tiger Who Came to Tea Trip

Just to remind you, we are visiting the theatre on Tuesday 12th June. Please bring raincoats or sunhats depending on the weather!

In 'Cooking Corner' we are going to learn how to make a good cup of tea!

Maths

We will be looking at number patterns within 10, 20 and up to 100 for those keen mathematicians! We will be thinking about putting random numbers into the correct order e.g. 2, 4, 7, 10. Which is greater and which is smaller?

Have a lovely half term break and see you all on Monday 11th June!

Minibeast LEAP

This week we have finished off our Minibeast LEAP with a final visit from Zoobob. He visited in his spaceship and we went to tell him everything we have learnt...

"We made snails out of clay...it's like playdough but it goes hard and we can paint it".

"Hillary showed us part of a bee hive. Bees make honey".

"We've got tadpoles in our class...they've got legs now".

"When woodlice are scared they roll into a ball".

"We learned about tadpoles. They are little creatures and they have to live in water".

"Caterpillars turn into butterflies...they have antennae like you, Zoobob".

Next term we will do some more exciting learning in our new LEAP! More news soon.
