Victorian Apprenticeships

This week the children started their Victorian apprenticeships in either haberdashery, carpentry, photography or baking. They will continue these apprenticeships for the next couple of weeks.

Victorian Schoolroom

The children have enjoyed writing up their Blists Hill Victorian schoolroom experience. They wrote about the different lessons they would have had such as arithmetic, drill, handwriting, geography and religious studies. They also spoke about their strict teachers who insisted on good posture, cleanliness, silence unless spoken to, right handed writing. They also wrote about controversial behaviour management techniques including caning!

Junior Citizens – Monday 8th July

On Monday 8th July, we will be taking part in a 'Junior Citizens' event at the Guildford fire station. Junior Citizens is a multi-agency scheme including Surrey Fire and Rescue, Surrey Police and other safety agencies. Each event comprises a number of interactive sets where the Year 6 children learn about personal safety. Unfortunately they cannot take the whole year group in one session. Please see below to see which session your child will be in (all children will need a packed lunch):

6JW: 9:30-11:45am – the children will need to be in school on time in order to walk down to the fire station. The children will have their lunch at Stoke Pak before walking back to school.

6JJ and 6T: 12:30-2:45pm – please note that we are asking for the children to be picked up from the lido car park at 2:55pm as we will be too late for normal school pick up if we walk back.
