

# Just to let you know...

Year 1

12.7.13

Dear parents,

We had a super start to the week this week with our 'Around The World Day'. The children voyaged to 5 different countries on their pirate ships. In each country they tried new food and found out fascinating facts e.g. what language is spoken in Mexico, what food is eaten in Slovakia and what the weather is like in Madagascar. They enjoyed filling in their Pirate Passports and most of the children discovered that they liked food that they had never tried before. Thank you to so many of you for coming along to sports day and for making it such a special event. The children were very excited and were especially pleased to see their mums, dads and baby brothers and sisters race.

Have a lovely weekend!

Love Hannah, Emily, Misha and Sam x

## Maths

This week we have been learning how to make and understand block graphs. We used block graphs to find out which colour, pattern, symbol and animal we wanted to use on our class pirate flags. At home you could use a block graph to find out about your family favourites e.g. food, parks, songs etc.

## Phonics

This week is our last Sound of the Week challenge. You are very welcome to keep your books at home now and to use them to practise and revise all the sounds we have learned this year. Well done for all your super work this year.

## Open Afternoon

Wednesday 17th July

This will be a **pirate dressing up day** for Year One

because it will be the end of our pirate topic. We will have a little pirate party in the morning before welcoming you in the afternoon for open day.
