

## English

In English we generated vocabulary to describe a volcanic eruption. We looked at word class and used this as a basis for a volcano poem.

We have also had our reporters hats on, making notes about the Mt. St Helen eruption using the 5 W's.

This formed the basis for a newspaper article giving a recount of the eruption.

## Maths

This week we worked on 'expanded subtraction' before moving on to the more formal method of 'column subtraction'.

We learnt how to exchange and applied our learning to solving worded subtraction problems.

## Topic

We had great fun learning about life as an Ancient Greek during our 'Greek Day' when the Yvonne Arnaud Theatre visited. We also learnt about Arachne, weaving our own spiders webs, how Greek temples were built, and even made some Greek food! The week culminated explosively when we made our own volcanoes!

## Notices

The children had a great day on Wednesday with the Yvonne Arnaud Youth Theatre. They took part in a variety of workshops involving different creative Greek activities and acting. Thank you for providing the children with such brilliant costumes! Please hold on to their costumes as the children will need them for our Topic Afternoon on the 28th March. You are invited to the Chapel from 2.15 to see all of their amazing topic work.

## G Live

Our school orchestra will be performing at G Live on Wednesday 15th— tickets available from G Live.

## Talent Show

As part of our Red Nose Day fund raising we will be holding a Y3 talent show, the winner of which will go forwarded to the HTPD Talent Show on Friday 24th March. Children will be able to vote for their favourite act— each vote will cost 10p—all money raised will go to Comic Relief.
