

Just to let you know...

Reception Hazel & Willow

Phonics

This week Willow Class are going to be continuing to learn 'one armed robot letters.' These are h, n, m, r, b, p and k.

Hazel Class will be continuing to learn 'long ladder letters.'

These are i, l, t, j, u and y.

The children are really enjoying these sessions. If your child would like to have a go at writing some 3 letter words using the letters we have been learning we'd love to see them.

Maths

We are going to be learning how to write the numbers 1,2,3,4,5, really carefully. All the numbers begin at the top. We will be counting the number of objects and writing the number 1,2,3,4,or 5 on whiteboards, paper, in paint or felt tips. If your child would like to bring in some number writing to show us we would love to see all the great number writing. Thank you

Fluffy on 22nd March

We will be doing lots of Fluffy activities in Reception. Please wear home clothes as usual for this and please remember to bring £1.

Music Curriculum Trail

Thank you for coming to this. It was lovely to see and hear such enthusiastic music exploration!

Cooking Corner Easter nests!
