

Just to let you know..

Curriculum Week

Next week is Curriculum Week and the theme is the Olympics; the opening ceremony is only three weeks away!

The children will have the opportunity to find out about some of the history, geography, values, music and drama of the Olympic games amongst other things.

Next week the children will be working within their house groups, so children can wear their house tee-shirts with their uniform all week.

Art

In art the children have learnt about the works and wonders of Antoni Gaudi. They have produced some fabulous geckos in his style.

**Have a super weekend!
Best wishes
Nick, Alison, Tracey and
Emma.**

Please remember sports day is now on: Tuesday 10th July.

All children must have their sports kit including their house tee-shirts.

In group maths children have continued with probability questions and have used and applied their mathematical skills to work out a target number.

In class maths we have been learning our Spanish numbers by playing bingo. Ask your children if they know what 1-12 is in Spanish.

ENGLISH

The children have written some dramatic poems about a matador, using the imagery of the 'Paso Doble'.

They have also researched Spain and Spanish facts, creating a tourist poster to advertise aspects of the country.
