

Just to let you know..

Spain

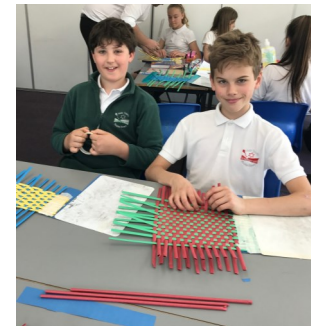

Hello to our Spanish travellers. We have seen and heard that you are having a super time in Spain but we are all missing you and can't wait for your return. We look forward to hearing a lot of great stories when you get back..

We have had an amazing week of creativity! Each group in year 6 tried out a different Victorian cottage industry.

The different activities included: soap making, purse weaving, glass painting, printing, book making and basket weaving. The final results were wonderful.

Post-SATs we have allowed the children to have a break from reading tasks. However, we will be resuming these after half-term. Please also continue to listen to your child read.

Maths

This week we have been looking at pounds, shillings and pence. We have been adding and subtracting using these old fashioned coins. We have found out how different it would be to work out the shopping or the home economics of the Victorian era.

Have a restful and enjoyable half-term. We have an exciting and busy last few weeks in Year 6- please keep checking the school calendar for important dates.

All the best from the Year 6 Team!
