

Trip to the Chantries

On the second day back (Tuesday 17th April) we are going to the Chantries to look at the bluebells. Please ensure that your child has a coat if it is wet or cold and ensure your child brings wellies or walking boots to school. If you are available to help please email your child's class teacher (we will be leaving at 9.00 and returning for 11.00.)

Homework and spellings

There will be no homework or spellings for the holidays. However, please continue to read with your child and to write in their reading record. Your child needs to complete two tasks over the holidays.

Swimming—4S

4S start swimming next term. If you haven't returned your child's letter please ensure this is done and that you have paid on ParentPay.

Bentley Copse

Just to remind you that the children have now all been given forms that need signing and returning. Please get these back to us asap. You can now pay for this trip on ParentPay.

Dear Parents,

It has been a lovely final week of term in year 4! We have had a very busy week with our Science Exhibition, 'Pause Day', Church and lots of other Easter activities.

'Pause Day' was on Tuesday and involved the children stopping to learn and reflect on the Easter story. We were fortunate to have a visit from St. Saviour's Church who created stations around the chapel representing the different parts of the Easter story.

Have a fantastic break and Easter,

James, Rachel and Sarah

Science Exhibition

A big thank you to all of you who came to see our Science Exhibition. It was a huge success. The children loved having the opportunity to share their projects with you all and showing you their lovely art work.

Just to let you know..
