

Sound of the week

This week we are revising the digraph oo and remembering the two sounds it makes; oo as in boot and oo as in foot.

Thanks for reminding your children to write the class names of their friends on the Christmas cards.

Ho! Ho! Ho!

Just to let you know...

7.12.12

Year 1: Beech
and Oak

Maths Focus

This week we have been looking at 3D shapes and describing their properties. We've had a Christmas Shape Shop and we have been buying presents with curved and flat faces, eight corners, straight and curved edges etc. Why not make a shape shop at home?

Next week we are going to be revising all of the maths skills we have learnt and using them in Christmassy maths activities!

Ho! Ho! Ho!

We are looking forward to seeing you at the Christmas nativity play next week. The children have been working hard learning the songs and actions. We can't wait to have an audience! Ho! Ho! Ho!

Dear parents,
Christmas is nearly upon us and we've been learning all about how to prepare for Christmas throughout advent. The children have been doing lots of fun Christmassy activities, and we have also been talking to the children about the importance of friendliness and thoughtfulness at Christmas time. Ask your children about their Secret Santa, and see if they have done anything kind for that person this week!

Love Hannah, Emily, Sam
and Misha

Thank you to all the parents who came on the trip this week. It was wonderful to see the children enjoying learning about old toys, and playing with them. See the website for photos of this wonderful trip.
