## Maths

In Maths this week, Year 4 have been using their RUCSAC problem solving skills to solve a range of investigations. We have been focusing on how to carefully break down and understand what operations a problem is asking us to use. Pupils have been encouraged to work logically and systematically in a team, to find all the possible solutions.

## BLUEBELL SKETCHING and POETRY

This week in English and Art we have been immersed in Bluebells! After our walk in the Chantries on Monday, we have been creating detailed sketches and paintings of the Bluebells. Year 4 have also looked at poetic techniques (similes and metaphors) in our

English lessons and incorporated these into their fantastic Bluebell poems.
