

Happy Half Term!

The children have worked very hard on their 'special tasks' over the past fortnight and there are more during the first week after the half term.

Go outside and enjoy your garden or the park. Take a kite, a frisbee or a bike and have a nice time in the fresh air! Why don't you help mum or dad make the sandwiches for a family picnic—can you make sure there are enough to share them equally?

See you on Monday 2nd June when we will be starting to prepare our own dinosaur museum.

Friday 23rd May 2014

Dinosaur Writing Corner

Can you make a dinosaur from things you find in the garden? Use sticks for the skeleton, leaves for the scales and stones for the claws and teeth. What else could you use?

Take a photo of it and then write labels to show us all of the parts. You could use pencils and paper or even try doing it on the computer!

Maths Corner

Does your child know compass points North, South, East and West? Plan a route together from your house to the shops. See if you can use the compass directions for spotting things of interest en route eg, post box is 3 paces West of me, the lamp post is 10 paces North.
