

In topic this week we have been looking at The British Isles and have focused on the locality of Dorset in preparation for our trip. We looked at the features of the land and population. Map work has included looking at the differences between the British Isles, United Kingdom and Great Britain. Have a look at <http://www.woodlands-junior.kent.sch.uk/customs/questions/britain.html> for more information.

The children have learnt about fossils and are ready to go hunting for them when we get to Kimmeridge Bay!

Just to let you know...

Dear Parents,
It was lovely to see the children back from the holidays so well rested. They have been working really hard this week; the break has clearly been good for us all! Please ensure that your child has full PE kit in school, we had a number without this week.

Best wishes,
Bec, Mary and Henry

Brenscombe Farm Update:

There is a parents' meeting on Thursday 26th April at 6.30 in Year 5. Please let your child's teacher know if you are unable to make it and we will send home the handouts that we will be giving out on the evening.

Group Reading dates

Thursday 19th April—9.00am
Thursday 26th April—9.00am
Thursday 3rd May—9.30 am
Thursday 17th May 9.00am
Thursday 24th May—9.30 am
Thursday 31st May 9.00am

In maths this week, we have been looking at map reading and scale. The children have been looking at OS maps and learning how to read the grid references and recognise the symbols. We've also looked at contours.
