

**Year One
Beech and Oak
13th December 2013**

Sound of the Week

We are continuing our phonics work throughout the festive period so the children have a new activity to have a go at this week!

Dear Parents,

We are so proud of all the children for their performances in our lovely play this week. They have really enjoyed practising and performing the play. We hope you enjoyed it too. Yesterday's Christmas dinner was delightful and the children enjoyed their crackers and party hats! Next week we have our carols around the tree to look forward to as well as a Year One party on Thursday.

Emily and Hannah :)

Maths Focus

We have been practising all our maths skills this week including adding, subtracting, halving, using number lines and telling them time.

Can you think of some Christmassy number problems to solve? How did you solve it? Did you use your fingers, counting on or back, use a number line or counters?
